### 1. Race Calendar 2022

The Race Calendar 2022 - see also attached document - is now published. Do not forget to make reservations in your personal agenda.

### 2. Registration fee and transport fee 2021

Due to the Covid-19 uncertainty at the beginning of 2021, we asked all the teams to pay only the registration fee for their first event. In these coming days, we will forward to the clubs in the Super and Challenge League an invoice with the request to pay the registration fee for their second event, plus half of the announced transport fee. For the Promotion League, we will only ask to pay half of the announced transport fee.

### 3. Registration Super League, Challenge League and SSL Cup

Please register at the last 3 events of the SSL in 2021. We are looking forward to the final events in Biel-Bienne for the Super and Neuchâtel for the Challenge League. Three teams in the Promotion League (YCSp, SCOZ and CER) are qualified for the Challenge League 2022. Who will be the Swiss Champion in Club Sailing 2021?

### 4 Save the Date Ordinary General Assembly SSLA 2021
