

# Update **18**

## 2021

### **1. Cancellation of PL ACT II Zug and CL ACT II Lucerne**

Unfortunately, we have to cancel the following two ACTs today:

- Promotion League Event from 5.-6. June 2021 in Zug
- Challenge League ACT II from 19.-20. June 2021

The board of directors of the Yacht Club Zug and the Yacht Club Lucerne cannot implement the strict requirements of the cantonal health department. Both Clubs very much regret this cancellation.

The board of SSLA very much regrets these cancellations. Nevertheless, we look positive forward and hope that the situation will calm down soon.

### **2. Superleague ACT II - 29.- 30. Mai 2021, Brunnen RVB**

We are currently working on the preparations for the Superleague ACT II in Brunnen and hope to be able to hold this event as planned. The organisational solution related to the governmental requirements is quite complex. SSLA and RV Brunnen will make a final decision on May 5, and let you know.
