

Update **17**

2021

07.04.2021

1. Super League Event in Ascona, ACT I, May 1-2, 2021

With deep regret, we must inform you that we cancel the event in Ascona due to the reasons of pandemic and related restrictions and uncertainty.

The board is now focusing the act II in Brunnen (29-30 May 2021).

2. Postponed Events are canceled

The postponed Challenge League and Promotion League events, both in Ascona, are now officially canceled.

3. Extraordinary General Assembly

As soon as the minutes are available in German and French, we will forward them to you, with some attachments (e.g. Insurance aspects). We thank you very much for your participation at the meeting and the constructive input.

4. SSL Cup 2021

Announcement: the cup will take place in Ascona, October 8-10, 2021. More details will follow.

5. Robotic Marks

As of Brunnen the league will use the robotic marks. All about the related impact and the formation will be published soon.

7. Boatman 2021

In 2021 we will have the boatman service from the company WeSail from Croatia on duty.

Best regards, Philipp Koch
President Swiss Sailing League Association
