

# Update 15

## 2021

12.2.2021

---

### 1. Internet Site

Unfortunately, we have technical problems with our website again. We are trying hard to resolve this and will update the content as soon as possible.

### 2. Regatta Calendar 2021

The program is now complete. Thank you YC Zug for organizing the ACT 2 of the Promotion League at 5./6. June 2021. Except for the date and place of Promotion Act 2 nothing has changed compared to the regatta calendar published earlier. Still open is the venue, the host club, and the date of the SSL Cup 2021. See the attached list of all 2021 events.

### 3. NOR 2021

Is in the final stage of elaboration by Adrian Bauder. It soon will be published on manage2sail.

### 4. Registration of clubs for the SSL 2021

Important: To be eligible for the SSL 2021, two steps have to be done by end of February 2021:

Step one: Please use Registration on manage2sail

Step two: Pay the registration fee for one event (CHF 650); invoices are sent now.

### 5. Master Cup 2021

Some clubs plan their SSL training and build their SSL cup teams. Up to now, the precise information regarding the age and the number of sailors in a master team was missing. Here are the rules that apply to this year's Masters Cup:

- 4 sailors per boat
- Registration of 5 persons is possible (reserve)
- Every sailor's age must be > 50 years
- The sum of age of 4 sailors (when sailing) must be minimum 220 years

### 6. COVID-19

Unfortunately, it's not yet clear whether we can hold the 3 events in Ascona in April 2021. The board will make a decision at the end of February 2021 and let you know.
